1. About ICSES Journal on Image Processing and Pattern Recognition (IJIPPR)

The **ICSES Journal on Image Processing and Pattern Recognition (IJIPPR)** is a peer-reviewed open-access publication of its kind that aims at reporting the most recent research and developments in the area of image processing and pattern recognition. It publishes advanced, innovative and interdisciplinary research involving the theoretical, experimental and practical aspects of the two paradigms and their hybridizations. IJIPPR is committed to timely publication of very high-quality, peer-reviewed, original articles that advance the state-of-the-art of all aspects of image processing and pattern recognition. Survey papers reviewing the state-of-the-art of timely topics will also be welcomed as well as novel and interesting applications.

2. Scopes and Topics of Interest

Topics of interest include but are not limited to:

- Mathematical theory of pattern recognition and image analysis
- Raw data representation
- Computer and Robot vision
- Image mining, processing and understanding
- Machine learning techniques
- Computer graphics
- Data mining
- Big-Data Processing
- Neural networks and fuzzy neural nets
- Fuzzy logic and classifier
- Classification and clustering
- Application of artificial intelligence to image processing and pattern recognition
- Other related areas

3. Editorial Board

The members of IJCNC's editorial board are:

- **Prof. Chitra Dhawale**, P.R.Pote College of Engineering and Management (India).
- **Prof. Rajesh Kumar**, Malaviya National Institute of Technology, Jaipur (India).
- **Prof. Kesavaraja Raja**, Dr.Sivanthi Aditanar College of Engineering, Tiruchendur, Tamilnadu, (India).

4. Abstract and Indexing

The IJCNC is currently indexed in the following academic databases:

- Scholar Google

5. Current Issue (Vol.1 No.1)

We are pleased to announce that our first issue (Vol.1 No.1) is in the press for publishing in Aug. 2015. Our elite editorial board and distinguished reviewers grantee the issue's quality and solidarity. Also, we do our bests to enhance the journal's qualifications. The index of manuscripts published in this issue is as follows:

- **Editorial**
